DuPont™ Tyvek® for use in building construction

Version 2.0
Revision Date 26.05.2017
Document no. 150000003747

This document is for information only, provided voluntarily and not subsequent to regulatory requirement.

PRODUCT AND CONTACT INFORMATION

Product identifier
Product name : DuPont™ Tyvek® for use in building construction
Company : Du Pont (Australia) Pty Ltd
7 Eden Park Drive
Macquarie Park NSW
2113
Australia
Telephone : (02) 9923 6111
Telefax : (02) 9923 6011

Emergency telephone number
Emergency contact : (02) 9923 6275 (Transport Emergency); (24 hr Emergency Medical Information: 1800 674 415)

HAZARDS IDENTIFICATION

Emergency Overview
This product has no known adverse effect on human health. Additives in this product do not present a respiration hazard unless the product is ground to a powder of respirable size and the dust is inhaled. All dusts are potentially injurious to the respiratory tract if respirable particles are generated and inhaled.

Physical and chemical properties
Form : sheets, roll
Color : white
Odor : none

Stability and reactivity
Conditions to avoid : Take precautionary measures against static discharges.
Hazardous decomposition products : Decomposition does not occur under normal use conditions.

INFORMATION ON INGREDIENTS

This material is an article which under normal conditions of use does not pose physical hazard or health risk and contains no hazardous chemicals.

FIRST AID MEASURES

Description of first aid measures
General advice : No hazards which require special first aid measures.

FIREFIGHTING MEASURES
Special hazards arising from the article

Specific hazards during firefighting: In fire conditions, toxic decomposition products may be formed. Hazardous combustion products may include: Carbon monoxide Carbon dioxide (CO2)

Advice for firefighters

Special protective equipment for firefighters: Wear self-contained breathing apparatus and protective suit.
Further information: Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

ACCIDENTAL RELEASE MEASURES

Methods and materials for containment and cleaning up

Methods for cleaning up: Not applicable

HANDLING AND STORAGE

Precautions for safe handling

Advice on safe handling: Material can create slippery conditions.
Take precautionary measures against static discharges.
Minimize the generation and accumulation of dust.

EXPOSURE CONTROLS/PERSONAL PROTECTION

Personal protective equipment
Respiratory protection: Respiratory protection should not be required for normal use and handling.

DISPOSAL CONSIDERATIONS

Waste treatment methods
Product: Where possible recycling is preferred to disposal or incineration.

OTHER INFORMATION

Further information
The DuPont Oval Logo is a registered trademark of E.I. du Pont de Nemours and Company.
Do not use DuPont materials in medical applications involving implantation in the human body or contact with internal body fluids or tissues unless the material has been provided from DuPont under a written contract that is consistent with DuPont policy regarding medical applications and expressly acknowledges the contemplated use.
